I would like to thank Professor Andrew Pinsent and Dr Samuel Hughes, who managed the project “New Horizons for Science and Religion in Central and Eastern Europe” at the Ian Ramsey Centre, University of Oxford. I would like to express my gratitude to the heads and staff of the Faculty of Philosophy, University of Warsaw, for their support; to the many experts from different universities, including reviewers, for their interest in my study, as well as for their valuable and stimulating feedback; and, last but not least: to my students, for inspiring discussions and important observations.
